Graduate Assistantships: Graduate Assistantships are available for campus based students only. They are awarded on a competitive basis. Financial Aid Considerations: An academic year consists of fall, spring, and summer. Graduate students taking graduate level courses may receive up to $20,500 in the Direct Unsubsidized Stafford Loan Program. Most students will use their Stafford loans during the 9 month period (fall and spring). Students will want to be mindful of their financial aid to allow for funding for 12 months if planning on enrolling during the summer term. Students will have an option to apply for Graduate Plus loan or private loans if other funding has been exhausted. For more specific information, please contact the Financial Aid Office at (888) 611-2680 or finaid@edinboro.edu.

Employer Reimbursement: Non-traditional students who are working and taking classes on a part-time basis may have employer-paid education benefits. The purpose of the employer tuition reimbursement agreement is to allow employees who receive reimbursement to defer payment of their tuition and fees until after grades are available at the end of the semester. Edinboro University accepts employer benefit plans through arrangements with the Bursar's Office by completing the enclosed employer tuition reimbursement agreement.

Veterans' Education Benefits: Information and printable forms regarding Veterans' Education Benefits and the Montgomery GI Bill are available at the Department of Veterans Affairs website, http://www.gibill.va.gov/. After the Department of Veterans Affairs approves a student's eligibility, and after the school certifies the student's enrollment, benefits are paid directly to the student after the end of each month.
