Useful career links:

- Careers in Psychology – APA website with useful information about many psychology related careers <http://www.apa.org/science/careers.html>
- PsycCareers – post a resume, search job listings, interview tips, and more <http://psycareers.apa.org/>

Books about careers in psychology:

- Career Paths in Psychology: Where Your Career Can Take You <http://books.apa.org/books.cfm?id=4313070> - several successful psychologists from a variety of fields discuss careers within school psychology, clinical psychology, counseling, private practice, industrial/organizational psychology, and psychology in academic careers, among many others. Includes information about salaries, job opportunities, and the typical work week.
- Graduate Study in Psychology, 2010 ed. <http://books.apa.org> – For students planning on pursuing graduate study in psychology. This comprehensive guide from the APA provides details about graduate programs in psychology in North America. Includes information on tuition, application deadlines, GRE scores, and departmental emphases.
- Great Jobs for Psychology Majors <http://www.amazon.com/Great-Jobs-Psychology-Majors-Vgms/dp/0844243523>– Tips for successful interviews, how to conduct a successful job search, and “ways to use your major in the real world.”
