ARTICULATION AGREEMENT
Between
EDINBORO UNIVERSITY OF PENNSYLVANIA
And
COMMUNITY COLLEGE OF BEAVER COUNTY

Statement of Intent

The purpose of this articulation agreement is to provide a mechanism that supports a smooth transition for transfer students. The primary objective is to maximize credit transferability. Students who have completed all of the General Education requirements and articulated Criminal Justice courses as delineated in this agreement, can expect to fulfill the B.A. program in Criminal Justice at Edinboro University by successfully completing a remaining *51 semester hours of credit. Students must enroll at Edinboro University of Pennsylvania within two calendar years of their graduation from Community College of Beaver County to take advantage of the provisions of this agreement. Students graduating prior to two years before their enrollment at Edinboro University of Pennsylvania will have their credits reviewed by the Edinboro University of Pennsylvania Department of Political Science and Criminal Justice.

*Number of credits and semesters required to complete at Edinboro depends on how many Edinboro requirements (i.e. General Education, major requirements, and electives) are met at CCBC prior to transfer. Please note the maximum number of credits in the major (designated as Criminal Justice Requirements in the agreement) that students can transfer is 21. A minimum of 30 credits of Edinboro requirements must be taken through Edinboro. Of the 30 credits, if students choose to take CRIM 395 at Edinboro, only 6 credits of CRIM 395 can count toward the 30 credit minimum. Students are strongly advised to work closely with the Edinboro Department of Political Science and Criminal Justice while they are still at the Community College of Beaver County regarding course selection. The Edinboro course requirements for the major can be completed online and/or through distance education.

Terms and Conditions of the Agreement

This articulation agreement applies to students at the Community College of Beaver County (CCBC) who desire to transfer to Edinboro University of Pennsylvania into the B.A. program in Criminal Justice.

Sixty semester-hours of credit will be awarded to students who have successfully completed the articulated coursework delineated below. Criminal Justice courses must be completed with a grade of C or better in each course.

EUP will provide an official evaluation of all previously completed coursework and placement of those credits at the time of acceptance.

Termination of this agreement may be made by either party, and must be in writing.
