

Edinboro University of Pennsylvania School of Business

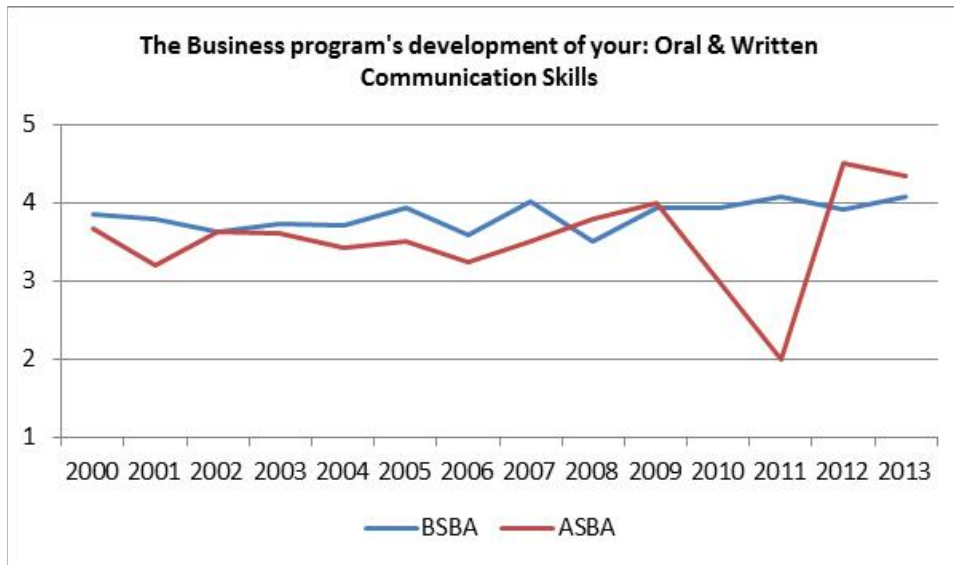

Student Exit Survey Results

The School of Business at Edinboro University conducts an exit survey of all graduating students each semester in order to identify areas where the School is performing well and where improvement is needed. This survey has been conducted since 2000 and is reported and reviewed annually by the Outcomes Assessment Committee and all business faculty.

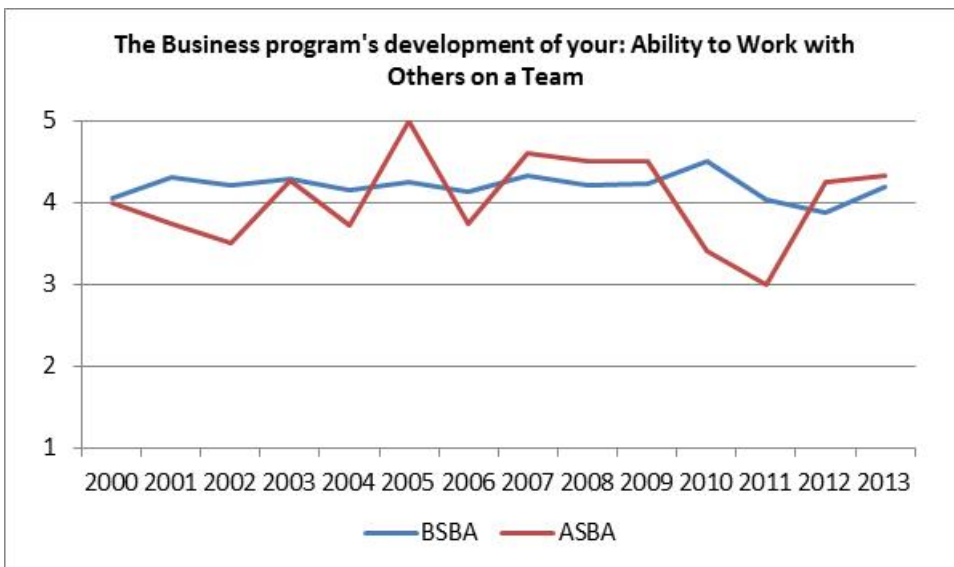

A sample of results is shown below with students providing ratings for most questions on a “1” to “5” scale, where “5” is the most positive result.
