ARTICULATION AGREEMENT
Between

EDINBORO UNIVERSITY OF PENNSYLVANIA
And

WESTMORELAND COUNTY COMMUNITY COLLEGE

Statement of Intent

The purpose of this articulation agreement is to provide a mechanism that supports a smooth transition for transfer students. The primary objective is to maximize credit transferability. This articulation agreement is designed for students at Westmoreland County Community College (WCCC) who desire to transfer to Edinboro University of Pennsylvania into the B.S. program in Chemistry/Forensic Science. Students who have completed all of the General Education requirements and articulated Forensic Science courses as delineated in this agreement, can expect to fulfill the B.S. program in Chemistry/Forensic Science at Edinboro University by successfully completing approximately 52 semester hours.

Terms and Conditions of the Agreement

This articulation agreement applies to students at WCCC who desire to transfer to Edinboro University of Pennsylvania into the B.S. degree in Chemistry/Forensic Science.

Seventy semester-hours of credit will be awarded to students who have successfully completed the articulated coursework delineated below. Students must complete a total of 120 semester hours to meet graduation requirements.

Chemistry courses and related requirements must be completed with a grade of C or above in each course. All WCCC courses must be completed with a grade of C or above to transfer (unless the student has earned an A.A. or A.S. degree in which case a grade of D may be accepted for certain courses).

EUP will provide an official evaluation of all previously completed coursework and placement of those credits at the time of acceptance.

Termination of this agreement may be made by either party, and must be in writing.
