ARTICULATION AGREEMENT
Between

EDINBORO UNIVERSITY OF PENNSYLVANIA
And

BUTLER COUNTY COMMUNITY COLLEGE

Statement of Intent

The purpose of this articulation agreement is to provide a mechanism that supports a smooth transition for transfer students. The primary objective is to maximize credit transferability. Students who have completed all of the General Education requirements and articulated Criminal Justice courses as delineated in this agreement, can expect to fulfill the B.A. program in Criminal Justice at Edinboro University by successfully completing a remaining *57 semester hours of credit. Students must enroll at Edinboro University of Pennsylvania within two calendar years of their graduation from Butler County Community College to take advantage of the provisions of this agreement. Students graduating prior to two years before their enrollment at Edinboro University of Pennsylvania will have their credits reviewed by the Edinboro University of Pennsylvania Department of Political Science and Criminal Justice.

*Number of credits and semesters required to complete at Edinboro depends on how many Edinboro requirements (i.e. General Education, major requirements, and electives) are met at BCCC prior to transfer. Students may take additional BC3 coursework beyond that which is required to complete the BC3 Associate in Arts Degree in Criminology. An overall minimum of 30 credits of Edinboro coursework must be taken to fulfill the institutional residency requirement and earn an Edinboro degree. Within the Edinboro degree, a minimum of 30 credits of criminal justice coursework must be taken through Edinboro University. Of the 30 credits, if students choose to take CRIM 395 at Edinboro only 6 credits of CRIM 395 can count toward the 30 credit minimum. Students are strongly advised to work closely with the Edinboro Department of Political Science and Criminal Justice while they are still at Butler County Community College regarding course selection. The Edinboro course requirements for the major can be completed online or by transferring to the Edinboro University campus. If completing the program online, the student is encouraged to take at least two Edinboro University courses online at any time between the third and fifth semesters, in order to acclimate the student to online learning. Appropriate courses for introduction to the online learning environment include POLI 365 (Prosecution and the Courts), POLI 343 (Law and Legal Systems), CRIM 370 (Probation and Parole), CRIM 330 (Introduction to Policing) which will be offered on a rotating basis. Please note that these EUP courses may be renumbered in the next academic year.

Terms and Conditions of the Agreement

This articulation agreement applies to students at Butler County Community College (BCCC) who desire to transfer to Edinboro University of Pennsylvania (EUP) into the B.A. program in Criminal Justice.

Sixty-three semester-hours of credit will be awarded to students who have successfully completed the articulated coursework delineated below. All BCCC courses must be completed with a grade of C or above to transfer (unless the student has earned an A.A. or A.S. degree in which case a grade of D may be accepted for certain courses). Criminal Justice courses must be completed with a grade of C or better in each course.

EUP will provide an official evaluation of all previously completed coursework and placement of those credits at the time of acceptance.
Termination of this agreement may be made by either party, and must be in writing.
