Curricular Articulation Agreement  
between  
EDINBORO UNIVERSITY OF PENNSYLVANIA  
and  
KEYSTONE RESEARCH CORPORATION

Statement of Intent

The purpose of this Articulation Agreement is to provide a mechanism through which educational programs at the Keystone Research Corporation and Edinboro University will interface, thereby granting students who have mastered agreed-upon competencies through the Keystone Research Corporation (KSRC) college credit for similar competencies at Edinboro University of Pennsylvania (EUP). Participation in the KSRC program does not guarantee admission to Edinboro University. All students will follow established guidelines for general admission to the University and to the academic programs as outlined in the University catalogue.

Articulated Courses

Upon meeting the terms of this Articulation Agreement, student will receive the following credit:

<table>
<thead>
<tr>
<th>Keystone Research Corporation program</th>
<th>Edinboro University Course</th>
</tr>
</thead>
<tbody>
<tr>
<td>International Computer Driving License (ICDL) certification</td>
<td>CSCI 104 Essential Computing I (3 SH)</td>
</tr>
</tbody>
</table>

Granting of these college credits from Edinboro University of Pennsylvania will be contingent upon:

1. Successful completion of the ICDL certification program(s) offered through KSRC.

2. An earned ICDL certificate and enrollment at Edinboro University within two years of date of issuance of certificate.
Agreement Stipulations

Edinboro University of Pennsylvania and the Keystone Research Corporation agree to:

1. Review annually the provision contained in this agreement.
2. Either party may terminate this agreement upon six months written notification to the other party, and the two parties will require a reconfirmation of this agreement if significant changes in course content occur.

Signatures required to approve this agreement:

Dr. Frank G. Pogue, President
Edinboro University of Pennsylvania

Dr. Pearl W. Bartelt, Provost
Edinboro University of Pennsylvania

Dr. Joyce Ann Miller, President
Keystone Research Corporation
