ARTICULATION AGREEMENT
In
RN-BSN NURSING PROGRAM
Between
EDINBORO UNIVERSITY OF PENNSYLVANIA
And
HARRISBURG AREA COMMUNITY COLLEGE

Statement of Intent

This articulation agreement is designed for students enrolled at Harrisburg Area Community College (HACC) who desire to transfer to Edinboro University of Pennsylvania (EUP) into the RN-BSN Nursing program. Admission to EUP’s RN-BSN program is contingent upon proof of current RN licensure, a 2.75 grade point average at completion of the HACC degree, and successful completion (C grade or above) in all Biology and Chemistry admissions prerequisites listed below. All of the prerequisites listed in the first block of articulated coursework in this agreement must be completed prior to admission to the EUP program. Internet computer access is required to complete this program (specific requirements can be found at www.euponline.com.) Students who have completed all of the RN-BSN pre-requisite courses will have the opportunity to earn the Bachelor of Science degree in Nursing in two years. Additional articulated General Education and required supporting courses may be transferred from HACC, as delineated in this agreement. Upon successful completion of NURS 409 at EUP, forty (40) credits for NURS 202, 301, 302, 303, 320, 402, 403, and 435 will be awarded, as outlined in the PA Articulation Model. This agreement covers those HACC students who graduate after June 1, 2009.
