

EDINBORO UNIVERSITY OF PENNSYLVANIA

Minor: Economics (1014)

Student: _____ ID: @ _____ Term: _____

The minor in Economics is designed to introduce the student to the core concepts of economics. The analytic skills and knowledge of economics developed in the minor in economics will be useful to students in all disciplines who will be contributing to business and public policy decisions. Students completing the minor in economics develop analytical skills through exploring the paradigms of microeconomics and macroeconomics at the intermediate level and increase their understanding of economics institutions and of applications of economic principles.

Prerequisites: none
