

EDINBORO UNIVERSITY OF PENNSYLVANIA

SALE OF COMMERCIAL PRODUCTS OR SERVICES-Policy No. F016

Recommended for Approval By Richard E. Morley, Vice President for Financial Operations and Administration

Approved By Foster F. Diebold, President on December 1, 1995

Review Date: As Required

INTENT

It is the intent of this policy to prohibit the unauthorized sale of commercial products or services on University premises. Further, when approved, such activities must not interfere with the effective operation of the University and must not impose explicit or implicit obligations on fellow employees or students.

POLICY

No one is permitted to sell goods or services on University premises, unless such sales are directly related to University business and are specifically authorized by the President or the President's designee in writing. University contracts stipulating the sale of commercial products and/or services constitute authorization by the University.
