

Pennsylvania State System of Higher Education
Distance Education Application
Student Instructions

Purpose

The purpose of this form is to enable you to enroll in a course at another State System University and transfer the course credit and grade to your home University if the institutions have an affiliation agreement. This will enable you to take advantage of courses, programs or experiences not available at your home institution, without loss of institutional residency, eligibility for honors or athletics, or credits toward graduation. If you are not sure if your institution has an affiliation agreement, please check with the Distance Education Office at your institution.

Eligibility

To be eligible to enroll in a course at another State System University:

1. You must be a current student at your home university.
2. You must obtain advanced approval from your home University by initiating Part II of this form.
3. A copy of this completed form must be received by the Registrar of the host university by the time of your registration.

Filling out the Form

Most of the information on this form may be on file at your home university, but to enroll in another SSHE university, your personal information must be entered into their database from this form. This will enable you to be admitted into that university, to enroll in classes and to receive credit and grades for that course or courses. You may enroll for a maximum of 18 credits in a single semester or summer.
